Welcome to The Bull

Standing on the corner of Sheep Street since early 1500s, it has been the cornerstone of Charlbury for centuries. It has seen many iterations over the years, however, its charm and character have remained.

Primarily a local pub serving good beer with restaurant centred around open fire cooking.

We celebrate seasonal British produce, sustainably sourced from local suppliers including our own Market Garden at Bruern Farms, and complement our menus with a curated wine list and craft beers.

Semi-Private Room

Tucked away just off the main restaurant, our Semi-Private Room offers a space for gatherings of up to 12 guests. Filled with natural light by day and softly lit in the evening, it's an inviting spot for everything from birthday lunches to relaxed family dinners.

Dine from our set menu with no minimum spend or room hire required.

Nestled just off the garden, our Secret Garden Room is a charming space complete with the warmth of a wood burner.

It's the perfect spot for everything from cosy family celebrations to special dinners with friends.
